北京洪堡论坛主席致辞

/Message from President of BHF

尊敬的各位学者，

自2013年创立以来，北京洪堡论坛在组委会及各界同仁的共同努力下，已成功举办6届，进步足以自豪。北京洪堡论坛聚焦“绿色经济”与“文化遗产”，同时关注每年的新经济社会热点，如“城镇化”、“原材料可持续利用”、“中德创新年”等。论坛每年邀请不同国内外高校与科研机构代表及商界、政界领袖共聚一堂，从跨学科、跨文化视角审视和分析绿色经济与文化遗产的热点与重点。

志之所趋，无远弗届，穷山距海，不能限也。北京洪堡论坛致力于为与会的海内外各领域专家学者、企业家及政策决策者搭建起科技、人文交流的桥梁，提供中-欧及全球学术研究、产业合作、政策互通平台。我相信，在全球化的今天，正是这样的超越国别、超越学科的开放合作，才能实现全人类共赢。

感谢您对北京洪堡论坛的关注支持！我们热切欢迎您的加入！让我们心手相携，共创美好的明天！

/My dear friends,

Since its establishment in 2013, the Beijing Humboldt Forum has been successfully held for six times. I am proud of the development of the forum and deeply appreciate the joint efforts of the BHF organizing committee and our cooperating partners. Focusing on "Green Economy" and "Cultural Heritage", Beijing Humboldt Forum pays close attention to the society hot topics such as "Urbanisation", "Sustainable Utilisation of Raw Materials", "The Chinese-German Year of Creativity and Innovation" etc.. Each year, BHF invites a number of representatives from different universities and research institutes as well as domestic and international business leaders together to join the forum to review and analyse the key points and hot issue from an interdisciplinary and cross-cultural perspective.

Beijing Humboldt Forum is devoted to build a bridge between scientific, technological and cultural exchanges for domestic and international experts, scholars, entrepreneurs and policy makers in various fields, and provide not only a Sino-European

but also global platform for academic research, industrial cooperation and political communication. I am firmly convinced that, in this globalized world, it is such an open cooperation that transcends the country and transcends disciplines that helps to achieve a win-win situation for all mankind.

Thank you for your support. We are looking forward to greeting you on the forum!
